“In its second year, The Wawa Foundation is thrilled to continue its support of non-profits helping individuals and families impacted by breast cancer across our six-state operating area and Washington, D.C.,” said Jay Culotta, President, The Wawa Foundation. “Over the course of two years and in response to our associates’ desire to help, we have been able to fund 78 non-profits that are providing necessary research, treatment and care to local customers and the communities where we serve.”

#### **About The Wawa Foundation’s Commitment to Address Key Issues**

The Wawa Foundation identifies “key issues” in need of focus and funding, while remaining open to other general requests. Key issue grants have start/end dates, and generally range from \$1,000 to \$20,000, with some larger grants available.

#### **About The Wawa Foundation**

The Wawa Foundation is an extension of Wawa’s commitment to making the world a better place by fulfilling customers’ lives every day. The Wawa Foundation is a registered 501(c)(3) non-profit corporation founded by Wawa, Inc. to support the company’s charitable giving and philanthropic activities – and ultimately to help build happier, stronger communities. The Wawa Foundation focuses its support on organizations committed to health, hunger and everyday heroes through local, regional and national grants and in-kind donations. Since 2014, Wawa and The Wawa Foundation have donated more than \$121 million to causes supporting health, hunger and the heroes who serve our communities every day.
